RCVS ACCREDITED PRACTICE

Small Flock?
Rare Breeds?
New Smallholder?

You need the SYNERGY SMALLHOLDER CLUB!

The Synergy Smallholder Club has been designed with the specific needs of smallholders in mind. Our members include like-minded people with smallholdings of all types and sizes who wish to learn more and improve the health and welfare of the animals they care for.

The Smallholder Club provides members with access to support from our knowledgeable veterinary staff along with all the services provided by an expert farm animal veterinary practice. The opportunity to get know other club members and key contacts is a popular part of membership with attendance at our smallholder workshops coupled with our seasonal newsletters.

Receive advice and support from our team of 40 vets, many of whom have certificates or diplomas in their areas of special interest

Let our experienced and conscientious team take the hassle out of routine tasks

What's included in the Smallholder Club Membership?

- A nominated vet within our Smallholder Team to visit once a year to prepare a health calendar, visit lasts an hour
- Support from a wealth of specialised expertise
- Seasonal Smallholder Newsletters, exclusively for members
- Share, discuss and learn at our practical vet-run workshops and meet with other Smallholders, two per year
- Clostridial and Pasturella vaccine dispensing days, four per year. Buy only what you need. Save when you vaccinate

£163 + VAT 1st year, £137 + VAT every year after*

Goats? Cows? Llamas? Alpacas? Chickens? Sheep? Ducks? Pigs?

*Package only available to registered clients of Synergy Farm Health. The scheme is not designed for Farm Assured Flocks who require more in-depth data collation. Prices correct at time of printing November 2024.

I AM INTERESTED IN JOINING THE SYNERGY SMALLHOLDER CLUB!
